Experience

Senior UX Designer
Sophos

Oct 2013 - present

I work on a small design team that manages the majority of the public facing web entities. I help design and maintain the company's primary website and various marketing campaigns. I work directly with product managers and web development to see projects through.

Interaction Designer
The Church of Jesus Christ of Latter-Day Saints

Oct 2008 - Oct 2013

I worked with various departments on improving their web presence and usability for users. I helped create design mockups and build html/css prototypes for testing.
